Skydiving

It includes:

Round trip transfer to the drop zone 🪂 (Rivadavia)
Free Hand Video set to music with photos and obviously the jump.

The activity takes place at the aerotec aerodrome.

We jump every day. It is suspended only for bad weather.

When you arrive at the flight zone, you are given a 15-minutes instruction manual and you are ready to jump. Once equipped, you get on the plane 🛩️ with your tandem pilot and you have a flight until you reach the height you jump for 20 minutes approx.

When jumping you have a free fall of approximately 25 seconds 🕒 that depends on your posture, your weight and the atmospheric pressure of the day, and once the parachute opens: YOU FLY with the parachute for about 8 to 10 minutes 🕒 until you reach the ground .

IMPORTANT: Do not weigh more than 90 Kg, if we weigh more we depend on the wind and atmospheric pressure, (ask before)
